Community

Encompassing twelve square miles, the Ada Public School District serves the educational needs for the city of Ada, Oklahoma. Located in south central Oklahoma, Ada enjoys a stable economic base due to many industries that call Ada home. Currently, the district consists of one high school, one junior high school, and four elementary schools utilizing a Pre-K-K, 1-2, 3-4, 5-6, 7-9, and 10-12 grade-level configuration.

School

Ada High School is a comprehensive three-year public high school enrolling 524 students in grades 10 through 12. The school opened in the fall of 1903 and graduated its first senior class in the spring of 1907. Ada High School is accredited by the Oklahoma State Department of Education and holds membership in the College Board.

Curriculum

The academic program is organized on a 2 semester schedule. Students take seven 50-minute classes 5 days a week.

AP and Honors courses are offered.

Vocational training is also offered through the partnership program with Oklahoma Career Tech. Students have the opportunity to attend Pontotoc Technology Center for half of the school day as they earn their credits to graduate. Ada High also partners with state universities to allow seniors to attend concurrent courses for credit, whether in the classroom or online. Juniors are also allowed to take concurrent courses; however, their courses will be taken online and at Ada High School.

Graduation Requirements

A minimum of 25 credits is required for graduation. Each student must complete 30 hours of service learning, pass the 14 standards of state mandated financial literacy, and attend state mandated CPR training.

Rank

Class ranks are reported for both the weighted and non-weighted grade point averages.
